<!--Content block start-->
{% block content %}
<!--Main content container start-->
<section class="container content-container">
  <!--Page heading start-->
  <div class="row no-gutters">
    <div class="col-12">
      <h1 class="text-center heading-1 headings">{{page_title}}</h1>
    </div>
  </div>
<!--Page heading end-->
<!--Add product form start. CSS Classes for form styling is from https://bootswatch.com/lux/-->
<div class="row no-gutters">
```

Check

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

Message Filtering

1.

Warning

Consider adding a `lang` attribute to the `html` start tag to declare the language of this document.

From line 1, column 29: to line 2, column 25

emplate-->{% extends "base.html" %}<!--C

For further guidance, consult [Declaring the overall language of a page](#) and [Choosing language tags](#).

If the HTML checker has misidentified the language of this document, please [file an issue report](#) or [send e-mail to report the problem](#).
2.

Error

Non-space characters found without seeing a doctype first. Expected `<!DOCTYPE html>`.

From line 1, column 29: to line 2, column 25

emplate-->{% extends "base.html" %}<!--C
3.

Error

Element `head` is missing a required instance of child element `title`.

From line 1, column 29: to line 2, column 25

emplate-->{% extends "base.html" %}<!--C

Content model for element `head`:

If the document is [an iframe srcdoc document](#) or if title information is available from a higher-level protocol: Zero or more elements of [metadata content](#), of which no more than one is a [title](#) element and no more than one is a [base](#) element.

Otherwise: One or more elements of [metadata content](#), of which exactly one is a [title](#) element and no more than one is a [base](#) element.
4.

Error

Bad value `{{url_for('add_product')}}` for attribute `action` on element `form`: Illegal character in path segment: `{` is not allowed.

From line 16, column 9: to line 16, column 106

><form class="col-12 col-md-10 col-lg-8 mx-auto" action="{{url\_for('add\_product')}}" method="POST">
5.

Error

Text not allowed in element `select` in this context.

From line 32, column 1: to line 32, column 56

</option>{% for category in categories %}

Content model for element `select`:

Zero or more [option](#), [optgroup](#), and [script-supporting](#) elements.
6.

Error

Text not allowed in element `select` in this context.

From line 34, column 1: to line 34, column 36

</option>{% endfor %}

Content model for element `select`:

Zero or more [option](#), [optgroup](#), and [script-supporting](#) elements.
7.

Error

Bad value `{{ url_for('static', filename='js/products.js') }}` for attribute `src` on element `script`: Illegal character in path segment: `{` is not allowed.

From line 151, column 1: to line 151, column 65

cript --><script src="{{ url\_for('static', filename='js/products.js') }}">/scri
